

Small Square Doily

First make four hearts joined as shown in the diagram. Then make the wheel motif in the centre.

Wheel motif

Leave a long tail to use on the splitring. You are to join two rings to each of the surrounding hearts. The bare thread space between the rings should not be all tight.

R: 2-2-2-2-2-2-2-2. 7 picots

SR: 4/4. Use the tail left before starting the centre ring for the second half of the SR.

a

Bts

R: 4+4. Join to a p on a heart (see diagram)

Bts

R: 4+4. Join to the next p on the centre ring

Repeat from *a* six more times. Finish by

Bts

R: 4+4. Join to a p on a heart (see diagram)

Tie the thread ends together close to one of the rings. Hide the ends.
